

KMAP GENERAL BULLETIN 12114A

HCPCS 2013 Modifier Updates

Effective with dates of service on and after January 1, 2013, the following changes apply to coding modifiers:

- The codes to be used with modifiers AH and AJ have been updated appropriately.
- Modifiers CH, CI, CJ, CK, CL, CM, CN, LM, and RI can be used for informational purposes.
- The codes to be used with modifiers GQ and GT have been updated appropriately.
- In keeping with current policy and procedures, additional updates have been made to the [Coding Modifiers Table](#).

HCPCS 2013 KAN Be Healthy Updates

Effective with dates of service on and after January 1, 2013, the following changes apply:

- A complete listing of administration and VFC vaccine codes have been added under Immunizations.
- Code 90834 will be covered.
- Code 90806 will be deleted.

Note: Refer to the *CPT*[®] codebook for complete descriptions of these procedures.

In keeping with current agency names, [Kansas Department of Health and Environment, Division of Health Care Finance](#) (KDHE-DHCF), [Kansas Department for Aging and Disability Services](#) (KDADS), and [Kansas Department for Children and Families](#) (DCF) have been updated as appropriate.

Use the following resources to determine coverage and pricing information. For accuracy, use your provider type and specialty as well as the beneficiary ID number or benefit plan.

- Information is available on the [public website](#).
- Information is available on the [secure website](#) under Pricing and Limitations.

CPT codes, descriptors, and other data only are copyright 2012 American Medical Association (or such other date of publication of CPT). All rights reserved. Applicable FARS/DFARS apply. Information is available on the [American Medical Association website](#).

For the changes resulting from this provider bulletin, view the updated *KAN Be Healthy Provider Manual*, Section 7000, page 7-1; Section 8000, pages 8-2, 8-10, 8-15, 8-17 and 8-18.
