

KMAP GENERAL BULLETIN 12129

Place of Service Code 65

Effective with dates of service on and after January 1, 2013, place of service (POS) code 65 (Dialysis Facility) will no longer be allowed on emergency room visit procedure codes 99281, 99282, 99283, 99284, and 99285. This is in accordance with correct coding guidelines.
